Department of Artificial Intelligence and Data Science

EVENT 3:

BrandBaazi – Sell it if u can !
(One Minute Advertisement Challenge)

No. of participants: 01- 04

Registration fees: 200 /- per team

Event description:

Brand Baazi is a high-energy marketing challenge where creativity meets strategy. Teams are given a product and a limited time to design a compelling advertisement using tools like Canva, AI platforms, or a basic website. The real challenge begins on stage, where teams must pitch and "sell" their product to the audience. The team that convinces the most people to buy their product wins!

Rules and regulations:

- The event is open to all field students(inter college is also allowed).
- Each team will be given a **random product/object** (e.g., beverage can, daily-use item, etc.).
- Teams will get **1 hour** to prepare their advertisements .
- Team should bring their own laptops or necessary requirements .
- They should have their own internet facilities .
- Teams must create at least one of the following:
- A **poster (Canva or similar tools)**
- A **basic website**
- Any **AI-generated creative advertisement or a video .**

Presentation Round:

- Each team must present their product **on stage**.
- All 4 members should participate in the pitch.
- Teams must **market and sell** their product creatively.
- Each team will get **limited time (e.g., 3–5 minutes)** for their pitch.

Judging Criteria:

- Creativity & originality
- Marketing strategy
- Presentation skills
- Audience engagement
- Convincing power (sales ability)
- The team that **successfully convinces the maximum number of people to "buy" their product** (or scores highest overall) will be declared the winner.
- Id cards of respective college are mandatory(inter college is also allowed) .
- Any form of malpractice or copying will lead to **disqualification**.

Student Coordinators:

1. Mr. Ganesh Manoj Habib – 8152032541
2. Ms. Akshata Hanamapure– 7899674274
