VENCER 2K26

EVENT 1:

AI SHARK TANK (IDEATHON)

No. of participants: 01–04

Registration fees: 200/-

Event description:

AI Shark Tank is an innovative and interactive ideathon where participants present creative ideas based on Artificial Intelligence and technology.Participants act like startup founders and pitch their ideas in front of judges (sharks). The event encourages students to showcase their creativity, problem-solving skills and understanding of AI concepts while presenting solutions to real-world problems.

Rules and regulations:

- The event is open to all students.
- Participation is allowed individually or in a team of maximum 4 members.
- The idea must be original and related to AI or technology.
- Each team/participant must bring their own laptop and arrange their own internet (hotspot/Wi-Fi).
- One notepad and pen will be provided to each team.
- The event consists of 2 rounds:

– Ideation Round (45 minutes)

– Final Pitch (5 minutes presentation + 2 minutes Q&A)

- Participants must complete their presentation within the given time.
- Any form of plagiarism or cheating will lead to disqualification.
- Id cards of respective college are mandatory.
- The decision of judges will be final and binding.

Student Coordinators:

1. Arzaan Khan – 7338462010
