VENCER 2K26

EVENT 3:

PROJECT EXPO (TechXhibit)

No. of participants: 01–04

Registration fees: 200/-

Event description:

TechXhibit : Project Expo is a technical event where students present their innovative projects and ideas to a panel of judges. Participants showcase their technical skills, creativity, and problem-solving abilities through their project presentations.

Projects will be evaluated based on innovation, implementation, and presentation. The event provides a platform for students to gain recognition and enhance their practical knowledge.

Rules and regulations:

- Participants must take part in a team.
- Each team should have a minimum of 2 members and a maximum of 4 members.
- Each team must present one unique project.
- Projects can be from any technical domain such as AI-ML, IoT, Software Development, Robotics, etc.
- Participants must bring their own laptop, hardware, and required materials.
- Each team will be given 15 minutes to present their project to the judges, followed by a short Q&A session.
- Every team must prepare a presentation (PPT), and live demonstration.

Student Coordinators:

1. **NIKITA LADU DESAI - 8296730926**
2. **KHUSHIYABEGAM HANAGI - 8867284486**
